EDUCATION

# SOLUTIONS PORTFOLIO

# Hello World!

Originally founded as Change Information Technology LLC (ChangelT) in 2010, the company began with a vision to drive innovation through **automation, IoT, and AI**—delivering transformative solutions across the oil & gas and healthcare sectors. Building on over a decade of success, the EduTech division, Change Education, was launched in 2022 to redefine learning through technology.

At Change Education, we envision a future where every student is **engaged, empowered, and future-ready** through interactive, **AI-enhanced learning**. Our mission is to revolutionize education with intelligent **tools**, immersive **workshops**, international competitions, and **experiential programs** like hackathons and educational tourism.

With partnerships across more than **25 schools in the UAE**, we blend cutting-edge technology and AI with hands-on training for educators and students alike—fostering curiosity, creativity, and critical thinking in and beyond the classroom.

# Partnered Schools

**RAFFLES**  
WORLD ACADEMY

مدرسة الوحدة العربية  
**Arab Unity School**  
British Curriculum, Affiliated to the University of Cambridge

**DUBAI SCHOLARS**  
PRIVATE SCHOOL

أكاديمية امباسادور الدولية  
**AMBASSADOR**  
INTERNATIONAL ACADEMY  
INSPIRE INQUIRE INNOVATE

..and counting

# Solutions Provided

Early Years EduTech

Immersive Learning

STEM & Innovation

Science Lab Instruments

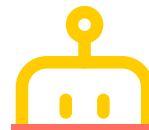

Laboratory Setup

Inclusion & SEN (Special Education Needs)

School IT & Infrastructure

Events & Experiences

# Early Years EduTech

Ages: 3-6

## Tale-Bot Pro

Coding & Storytelling Robot

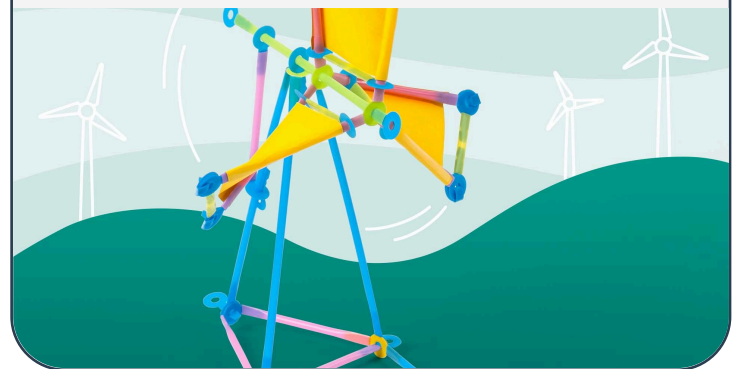

**matata  
studio**

## DIY

## Construction Kit

**Strawbees®**

## LEGO Construction Kit

**LEGO**

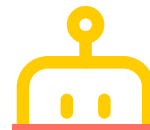

## Coding Set

Programming with Coding Blocks

**matata  
studio**

# Immersive Learning

## Immersive Rooms

**EPSON**

## Interactive Sandbox

## Interactive Projector

Supports Wall & Floor Activities

**Knowla**

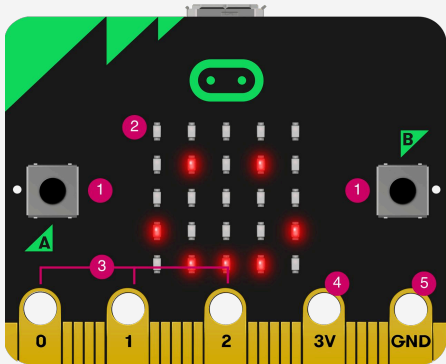

# STEM

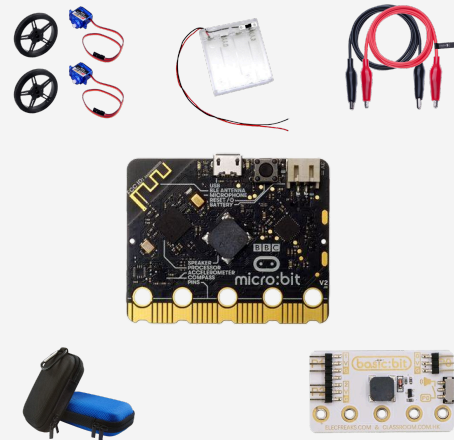

Middle & High School

## BBC micro:bit

 micro:bit

## Enhanced Micro:bit Kit by Change Education

## Vincibot

AI-powered Coding Robot with expansions

**matata  
studio**

## Vincibot Expansions

# STEM

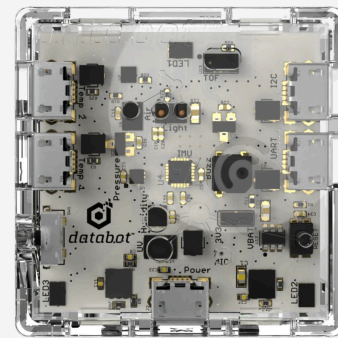

Middle & High School

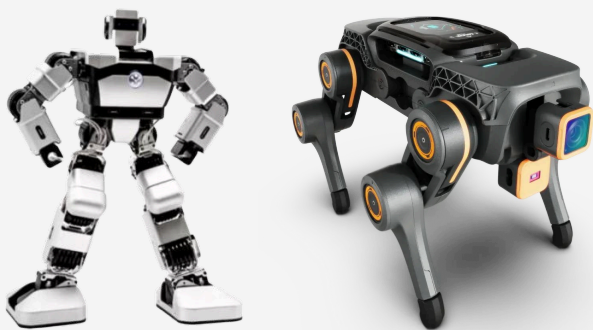

## AI-Powered Robotic Arm

## 16-in-1 Measuring Device

## Humanoid & Robot Dog

## Climate Action Kit

# STEM

Middle & High School

## VR Headsets

umety

## 3D Printer

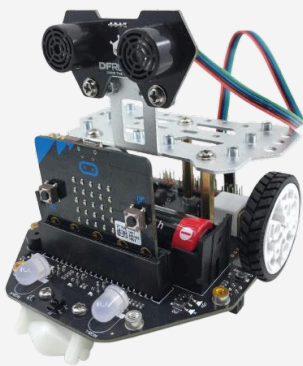

Bambu Lab

## Educational Robotics

DFROBOT  
DRIVE THE FUTURE

## Nous AI

matata  
studio

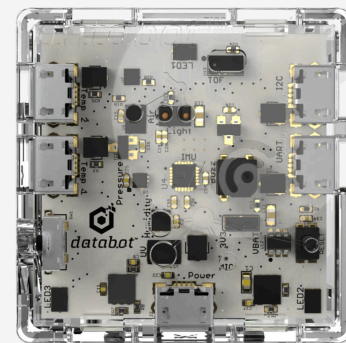

# Science Lab Instruments

Year 3 onwards

## All-in-1 Measuring Labdisc (High School)

## 16-in-1 Measuring Device (Middle School)

## Digital Microscope Upto 1600x digital magnification

## All-in-1 Measuring Labdisc (Primary School)

# Events & Experiences

## UNSDG Hackathons

## Robotics Workshops

## Lifeskills Training

## Learning Journeys

# Laboratory Setup

We design and deliver fully integrated lab environments.

## Product Design

Dedicated zones for wood, metal, plastics,  
and finishing

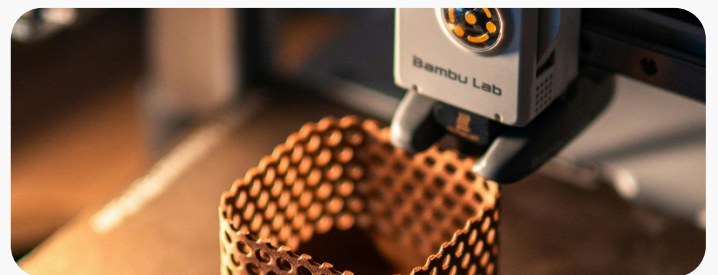

## STEAM, AI & Robotics

Hands-on learning environments for coding,  
robotics and automation

## Media

Graphic design, animation, VFX,  
podcasting, content creation & music

## Digital Fabrication

3D Printing, laser cutting,  
and CNC technologies

## Future-Ready Sciences

State-of-the-art Chemistry, Physics  
& Biology labs

## Life Sciences

Food technology, clothing design,  
craft making
